AU10TIX

IDENTITY INTELLIGENCE

UK DIATF Supplement

1. UKDIATF Applicability

Where Customer purchases or uses identity verification services intended to comply with the UK Digital Identity and Attributes Trust Framework ("**UKDIATF Compliant Services**"), Customer acknowledges that such Services are subject to the mandatory requirements of the UK Digital Identity and Attributes Trust Framework ("**UKDIATF Terms**"), as updated from time to time.

The Parties agree to comply with the UKDIATF Terms to the extent applicable to their respective roles.

2. Roles and Responsibilities

AU10TIX acts solely as an identity and/or component service provider under the UKDIATF. Customer remains solely responsible for its reliance on, and use of, any identity or attribute outputs provided through the Services.

The processing roles set forth in the Parties' Data Processing Addendum ("DPA") apply, except that AU10TIX may act as an independent controller or joint controller with third-party fraud prevention providers where necessary to detect, prevent, or report fraud or unlawful conduct in accordance with UKDIATF requirements.

3. Data Protection Compliance

Each Party shall comply with applicable data protection laws, including the UK GDPR and Data Protection Act, and shall maintain appropriate safeguards consistent with UKDIATF security technical and organizational measures requirements.

4. End User Requests

Customer shall promptly forward to AU10TIX any end user request relating to processing activities for which AU10TIX is legally responsible under UKDIATF or applicable law.

5. Customer Obligations as Relying Party

To the extent Customer is a relying party under UKDIATF, Customer shall:

(a) maintain procedures to prevent, detect, and respond to fraud or misuse of digital identity services;
(b) notify AU10TIX promptly of any suspected fraud, impersonation, breach, or

complaint affecting trust or compliance;
(c) cooperate with AU10TIX and relevant regulators or oversight bodies as reasonably required;
(d) Implement security measures equivalent to UKDIATF requirements;
(e) ensure Personal Data is not retained longer than necessary and is not altered or misrepresented.

Customer shall not act in any manner that would cause AU10TIX to breach its UKDIATF obligations.

6. Governing Law

This Exhibit shall be governed by English law, and the courts of England shall have exclusive jurisdiction over disputes arising under this Exhibit.
